

SMS Authentication Process

First, fill in the registration page:

Registration

Registration type Individual account

Family name * Family name

First name * First name

Country * Please select!

ZIP code * ZIP code

City * City

Street * Street

Mobile phone number * Please select! Mobile phone number

Use only numbers and do not write the country prefix.

E-mail address * E-mail address

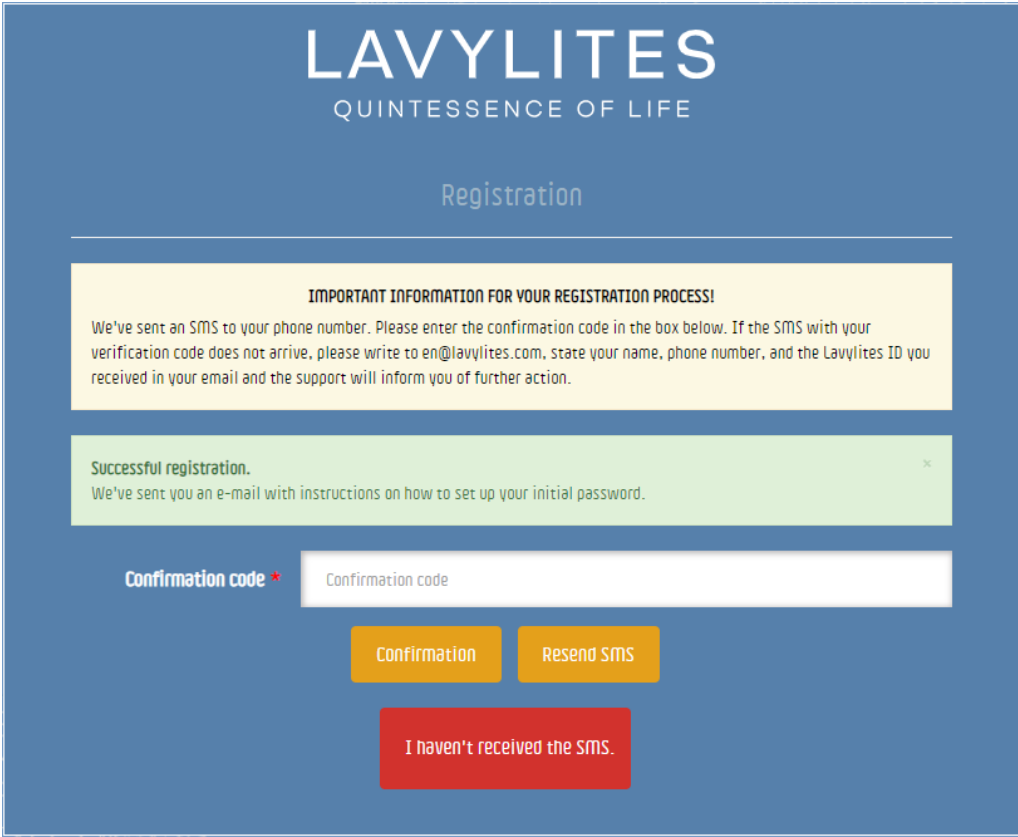

We will send login details to your e-mail account.
Make sure it is entered correctly.

User name * User name

Language * Please select!

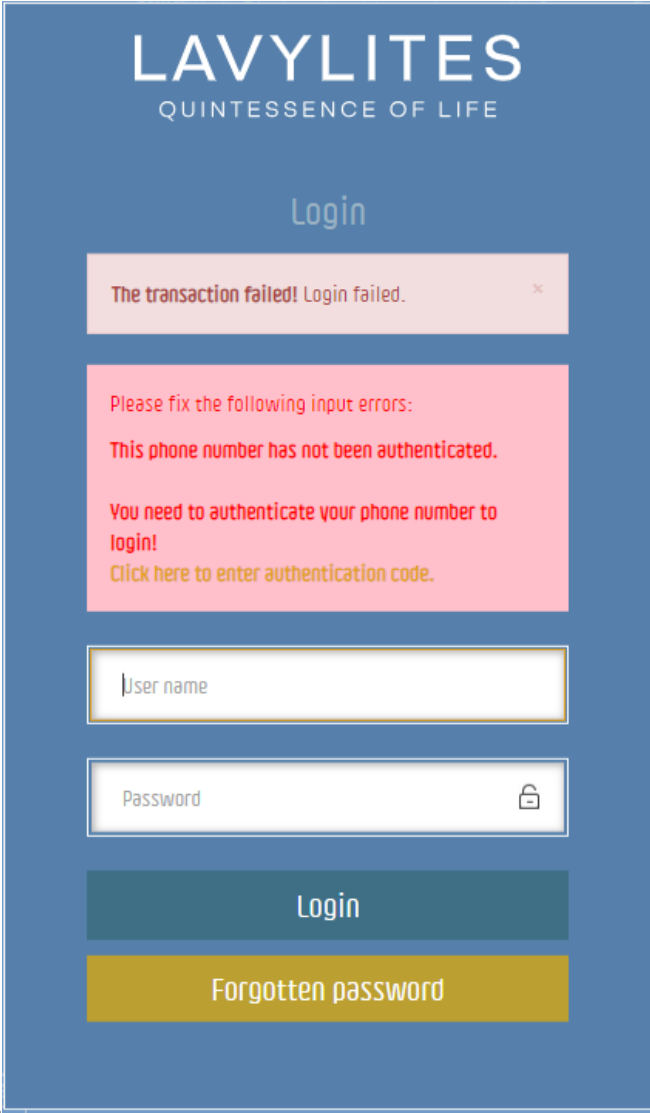

Sponsor's ID * Sponsor's ID

After finalizing the registration you will be sent an authentication code to the phone number provided during the registration process. Enter the code into the field "Confirmation code."

Next, set your password and log into the website through the link sent to your email address.

If authentication of your phone number fails, an error message will be displayed during the login process.

You can enter the authentication code again and request a new one at “Click here to enter authentication code.”

Registration

IMPORTANT INFORMATION FOR YOUR REGISTRATION PROCESS!

We've sent an SMS to your phone number. Please enter the confirmation code in the box below. If the SMS with your verification code does not arrive, please write to en@lavylites.com, state your name, phone number, and the Lavylites ID you received in your email and the support will inform you of further action.

Confirmation code *
